MEMORANDUM

DATE: June 16, 2008
TO: William H. Hogan, Acting Commissioner
THRU: Pat Carr, Health Planning & Systems Development Section Chief
FROM: Karen Lawfer, H&SS Planner II, CON
SUBJECT: Extension of Imaging Associates of Providence CON Review

Under 7 AAC 07.060(d)(3) I am requesting a 14-day extension to complete the review of the Imaging Associates of Providence Certificate of Need application for imaging centers in Anchorage and the Mat-Su Valley. The application is due in the Office of the Commissioner on June 17, 2008. We require the extension for the following reasons:

- Data necessary for the review was received on June 11, 2008, by the section;
- It has been necessary to bifurcate the application for the two facilities; and
- A review by Department of Law is needed before submission.

If the 14-day extension is approved, the deadline to submit the review to your office will be July 1, 2008.
