THE DEPARTMENT OF HEALTH**

The Department of Health has received an application for a certificate of need for the health care facility project described below.

**Project/Activity: Establishment of One Free-standing Emergency Department.**

Alaska Regional Hospital proposes to expand its existing emergency department capacity by constructing a free-standing emergency department, or as self-identified, a Hospital Satellite Emergency Department, in South Anchorage. The new construction will consist of 10,860 square feet, be a free-standing building and encompass twelve (12) emergency treatment rooms, one (1) CT Scanner, one (1) X-ray machine, one (1) Ultrasound machine, five (5) cardiac monitoring machines, one (1) portable X-ray machine, and one (1) portable C-Arm X-ray machine.

**Total Cost of the Project:** \$17,621,000.

**Estimated completion date:** No later than December 31, 2024.

**Applicant's Name:** Alaska Regional Hospital.

**Project/Activity Service Area:** Municipality of Anchorage.

In accordance with 7 AAC 07.042, notice is hereby given that any person planning to submit a certificate of need application for similar activity in the same proposed service area must submit a letter of intent to the department no later than 4:30 PM, Thursday, June 8, 2023 so that the department may prepare to conduct a concurrent review of all applications.

**The letter of intent must include:**

1. A clear, complete, and current description of the proposed activity, including a description of each component of the activity proposed to be undertaken;
2. An estimate of the total cost of the project; and
3. An estimated starting date and completion date for the proposed activity.

Please **email** the letter of intent to:
