A CERTIFICATE OF NEED IS REQUIRED
THE DEPARTMENT OF HEALTH AND SOCIAL SERVICES**

In accordance with 7 AAC 07.031, the Department of Health and Social Services (DHSS) has determined that a certificate of need is not required for the health care project or activity as presented and described below:

Project/Activity: South Peninsula Hospital proposes to expand its existing Homer Medical Center. The expansion includes routine maintenance and routine replacement of equipment, construction of non-clinical space, and construction of additional clinical space for a total of 5,584 SF. New clinical space will include eight (8) additional exam rooms, consultation area, specialty procedure room, office, lab, imaging space, medication and conference room(s).

Applicant's Name: South Peninsula Hospital

Project/Activity Service Area: Homer, Alaska

Estimated Cost of Project/Activity Subject to CON: \$800,773.96

Summary of Decision: In accordance with A.S. 18.07.031-111 and 7 AAC 07.001-900, the project as presented can proceed without a Certificate of Need. Based on the request for determination, a CON is not required because expenditures for routine maintenance and replacement of equipment are not subject to CON.
