

APPENDIX 8

STAFF

Current Emergency Department staffing ratios will remain in place post remodel.

Staffing consists of:

- Registered Nurses (RN) who require licensing through The State of Alaska,
- Certified Nursing Assistants (CNA), who require certification through The State of Alaska,
- Admin Clinical Assistants (Unit Clerks) who have no requirement for licensing or certification through The State of Alaska.

Bartlett Regional Hospital contracts services for Emergency Department Physicians and Advanced Practice Practitioners (APP), who are licensed per The State of Alaska Medical Board and credentialed through Bartlett Regional Hospitals credentialing department.
