Alexandria Hicks, CON Program Coordinator  
Department of Health and Social Services  
3601 C. Street, Suite 978, Anchorage, AK 99503

Dear Ms. Hicks,

This letter is in response to the request for additional information pertaining to our request for determination dated on December 20, 2021.

South Anchorage Surgery Center (SASC) is initializing the provision of gastrointestinal procedures under moderate sedation as of January 11, 2022.

SASC is a one room surgery center established in 2011. The current footprint of SASC will not change, nor will there be any needed renovations required to add the additional health services (see attached floor plan).

Equipment costs are below the threshold set in AS 18.07.031 at \$258,057.96. (See attached equipment list and corresponding invoices).

Thank you for considering our request for determination. If you have any questions please feel free to contact me at 907-748-6471 or [jbercier@aapain.com](mailto:jbercier@aapain.com).

Sincerely,

Jennifer Bercier  
Administrator
