CERTIFICATE OF NEED

For construction by
PeaceHealth Ketchikan Medical Center
Addition and Alterations Project

In accordance with A.S. 18.07.031-111 and 7 AAC 07.001-900, PeaceHealth Ketchikan Medical Center is authorized to complete the Addition and Alterations Project, as proposed, in Ketchikan, Alaska.

The project consists of two Phases, and includes a new addition west of the existing hospital, a replacement surgery department with three operating rooms, sterile processing, outpatient clinics and a parking garage and helipad. The remodel includes expanding clinical office space and exam rooms, emergency department, laboratory, radiology and support spaces.

This authorization is for construction and renovation of 133,985 square feet.

The total cost of the project is \$84,433,225.

The estimated completion dates for the project are: Phase I November 2015; Phase II March 2018.
